Subject: Dust Control Permit - DSV
Importance: High

Hi Jared,

I need an expedited dust control permit for this location, please. I have attached the G&D and SWPPP plans. We already have the NOI. We are planning on starting 11/10. Sorry for the short notice.

Super – Vince Alley – 847-602-3866 valley@fclbuilders.com

Location: Pecos and Ellsworth in Mesa

Let me know if you need anything else.
