CERTIFICATE OF COMPLIANCE-

To be signed by licensed professional before a certificate of occupancy is issued

I certify that, to the best of my knowledge, the requirements of the Building Code and the approved plans and specifications have been complied with, insofar as the portion of the work requiring special inspection under Section 1704 is concerned, except for those deviations previously reported. A guarantee that the contractor necessarily constructed the building in full accordance with the plans and specifications is neither intended nor implied.
