FOR AND IN CONSIDERATION of the granting of a permit for the purpose set forth herein, the Permittee hereby agrees, covenants, and binds said Permittee to all responsibilities, liabilities, and demands of Chapter 47 of the code of the City of Scottsdale. In addition, all work is to conform to Maricopa association of Governments (MAG) Specifications and Details, City of Scottsdale Supplement to the MAG Specifications and Details, City of Scottsdale Design Standards and Policies Manual, and the City of Phoenix approved barricade manual.

IN WITNESS WHEREOF THIS PERMIT HAS BEEN DULY SIGNED THIS 3RD DAY OF JULY, 2012

RIGO@REGALUTILITYPROS.COM

When a credit card is used as payment I agree to pay the above total amount according to the card issuer agreement.

A PERMIT AND LICENSE is hereby issued to the applicant to enter upon and use a portion of the right-of-way of the City of Scottsdale. If any of the right-of-way occupied and used by permittee is deemed to be needed or required by the Superintendent of Streets, this permit may be revoked by the City and all rights thereunder are thereby terminated and upon notice from the City the permittee shall immediately remove all property owned by permittee.

LOCATION: **17600 N PERIMETER DR** START DATE: **6/27/2012**  
ENGINEER: END DATE: **11/27/2012**

FOR THE PURPOSE OF: **UTILITY PROVIDED TRENCH, PROVIDING TELECOMMUNICATIONS TO CU**

This permit is issued with the following limitations:

All work is to conform to approved plans. The City's issuance of an encroachment permit does not waive the City's right to enforce the City Code and any other applicable standards that the Permittee has agreed to conform to as noted above. The issuance of a permit in violation of any of the required Code, Standards, and Details as listed above will not void the Permittee's responsibility unless the substandard installation is clearly noticed and approved separate from the normal permit requirement.

This permit shall be activated by calling Inspection Services at 480-312-5750 a minimum of 72 hours prior to commencing work. The actual start date for permit work will be reviewed and subject to approval at time of activation.

If a Barricade Plan is required, it must be submitted to Inspection Services 72 hours prior to the actual start date for permit work. The Barricade Plan must include the permit number. Lane closures are to be done from 9 a.m. to 4 p.m. only, unless prior clearance is obtained.

This permit request has not been reviewed for native plant requirements. a separate submittal and review are required for issuance of a native plant permit. this permit must be secured prior to relocation and/or destruction of any plants protected by the City's Native Plant Ordinance. For information on obtaining a native plant permit call 480-312-7080.

**This permit and approved barricade plan shall remain on the job site for the duration of the work.**
