Applicant, through the authorized signature below, warrants that the information supplied is complete and accurate, and agrees the permit holder shall: (a) Be responsible for all liability and damages arising from or related to any acts or omissions of the permit holder, its agents, contractors, subcontractors and any anyone else connected with this permit; (b) To the fullest extent allowed by law, defend, indemnify and hold harmless the City, its officers, officials, representatives, agents, employees and volunteers from and against all allegations, demands, proceedings, suits, actions, claims, damages, losses, expenses, including but not limited to, attorney fees, court costs, the cost of appellate proceedings, and all claim adjusting and handling expenses, arising from or related to any acts or omissions of the permit holder or its agents, contractors and subcontractors related to the permit; (c) Provide the City with a certificate of insurance in conformance with the requirements set forth in the City's Design Standards & Policies Manual; and (d) Conform to: (1) the requirements of Scottsdale Revised Code, Chapter 47, including the insurance provisions outlined in the City's Design Standards and Policies Manual; (2) all other applicable laws, ordinances (including the Scottsdale Zoning Ordinance), rules, regulations and construction standards; (3) all applicable plans related to the above-referenced case, which are incorporated into this permit by reference; and (4) the terms of this permit.

All construction in the public rights-of-way or in easements granted for public use must conform to the latest Maricopa Association of Governments (MAG) Uniform Standard Specifications and Uniform Standard Details for Public Works construction as amended by the latest version of the City of Scottsdale Standard Specifications and Supplemental Standard Details. If there is a conflict, the city's Supplemental Standard Details will govern.

Whenever excavation is necessary, call the Blue Stake Center, 811, two working days before excavation begins.

The City's authorized signature below allows the applicant to use the City's right-of-way only in conformance with the terms of this permit.

This permit shall become invalid unless the work authorized under this permit is commenced within 180 days after issuance. If the permit becomes invalid, a new application for permit shall be submitted.

This permit is not effective or valid until the required certificate of insurance is provided.

The Right-of-Way Manager or designee may suspend or revoke this permit to protect the public health, safety or welfare, or upon the City's need for the right-of-way occupied by the permit holder. Upon request, the permit holder shall immediately remove all of the permit holder's property from the right-of way.

Applicable Barricade Plans, to change traffic or place traffic control devices, are subject to City approval as set forth in the Scottsdale Revised Code, Chapter 47. Barricade Plans shall include the applicable PWR number.

This permit and any applicable approved Barricade Plan shall remain on the job site for the duration of the work.
